

Harps in Healing

Day-long Gathering

Open to those in health-care and related fields

July 31st, 2011 **9 AM to 5 PM** with a break for lunch.

Vancouver Symphony School of Music Ensemble Room

\$50 Pre-registration* required. Pay cash at door. Does not include lunch.

Come hear about the work being done across Canada by Certified Therapeutic Harp Practitioners (CTHP) and by Certified Vibroacoustic Harp Therapy Practitioners (VAHT).

Network amongst those who have graduated or are training to use their harps in therapeutic ways.

Explore ways to create an association which will help our emerging profession stay informed, connected, and supported across Canada.

The Program:

-  **Intro and background to this first Canadian gathering**
Anita Leschied, CTHP, VAHT - Southwestern Ontario
-  **Harp Therapy for autistic and special need children**
Laurence Marie, CTHP, VAHT - Moncton, New Brunswick
-  **LTC in partnership with kinesiologist/physio therapist**
Deb MacKay, CTHP - Barrie, Ontario
-  **Harps by Hearts: Therapeutic harp circles for cancer patients**
Bev Ross, CTHP, VAHT - Edmonton, Alberta
-  **Harp Therapy and Heartmath®[®], the Proof of the Pudding!**
Christina Tourin, MT, Director: Int'l Harp Therapy Program - San Diego, California
